

CHINATOWN

DISCOVERY FESTIVAL | 2021

Proudly presented by the Chinatown Revitalisation Project

Chinatown, where the local Broome community
comes together to reflect on what it was like

Growing Up in Chinatown and old Broome

FRIDAY 28th - SUNDAY 30th MAY

 [chinatownbroome](#)  [chinatowndiscoveryfestival](#)

Welcome to the 2021 Chinatown Discovery Festival – a celebration of Broome and our amazing town centre.

After being forced to cancel this event last year due to COVID-19 and associated restrictions, it is fantastic to be able to welcome Broome residents and visitors to the Discovery Festival in 2021.

The theme for this year's festival is 'Growing up in Broome and Chinatown'.

While the modern-day Chinatown is a bustling and thriving business district, the precinct has such a vibrant and multi-cultural history and heritage.

The 2021 festival will celebrate how Broome's town centre has evolved over the generations by sharing memories, stories and experiences of past-day Chinatown.

The festival is the ideal opportunity to acknowledge our town centre's origins and celebrate the reasons that make Chinatown so special.

This year's Discovery Festival program features activities and events for different demographics, while most of the offerings will be free to attend.

Looking through the program, there is something for everyone to enjoy.

Some of the key events will feature art and photography installations, creative performances, music, food, sand sculptures, street entertainment and much more. The undoubted highlight will be the Pearlers' Games, with an array of team and individual challenges to take place on Dampier Terrace.

Our community has displayed patience over the last six months as construction works have been undertaken and the Discovery Festival will be set with minor disruption as the backdrop.

Stage Two of the Chinatown Revitalisation Project, which is being co-funded by the Shire of Broome and the WA State Government, is set to refresh our town centre – with the end to the works firmly in sight.

I'd like to thank the Broome community again for its patience and understanding as this important work is undertaken.

During the Discovery Festival, please be mindful that some areas remain unavailable for access due to ongoing construction work.

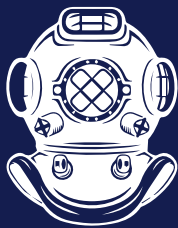

The festival will be a wonderful opportunity to support our hard-working Chinatown retailers, who continue to provide amazing services and products to the Broome community.

Finally, I'd like to thank our wonderful sponsors and partners for helping make the 2021 Chinatown Discovery Festival a reality.

Desiree Male
Shire of Broome deputy president
